

### **AGENDA**

### Highlights

### **Financial Highlights**

| BWP' million               | % Change     | Dec-13 | Dec-12 |
|----------------------------|--------------|--------|--------|
| Attributable profits       | <b>4</b> 9%  | 198    | 133    |
| Profit after tax           | <b>1</b> 29% | 174    | 135    |
| ROE                        | -            | 15.3%  | 15.3%  |
| Cost to income             | <b>5</b> %   | 66%    | 71%    |
| EPS (thebe)                | <b>1</b> 0%  | 79.6   | 72.1   |
| Dividend per share (thebe) | <b>1</b> 6%  | 18.5   | 16     |
| NAV per share (thebe)      | <b>1</b> 6%  | 5.64   | 4.88   |

Attributable profits up with impressive growth in Botswana, Zambia and Zimbabwe

Resilient
performance
amidst liquidity
challenges in most
jurisdictions

Cost to income ratio down due to higher revenues

### **Financial highlights**

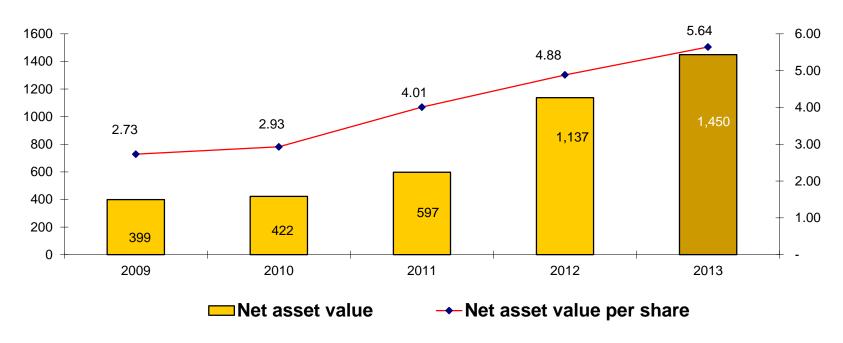

| BWP                | % Change        | Dec-13 | Dec-12 |
|--------------------|-----------------|--------|--------|
| Total assets       | <b>18%</b>      | 15,784 | 13,408 |
| Loans and advances | <b>1</b> 5%     | 10,555 | 9,144  |
| Deposits           | <b>14%</b>      | 12,209 | 10,675 |
| Total equity       | <del>2</del> 7% | 1,450  | 1,137  |

Measured growth in both loans and advances, driven by both retail banking and wholesale banking

### **Financial highlights**

### Net Asset Value (BWP m) and NAV per share (BWP)

Strong growth in NAV on the back of retained profits as well as conversion of IFC debt to equity in April 2013

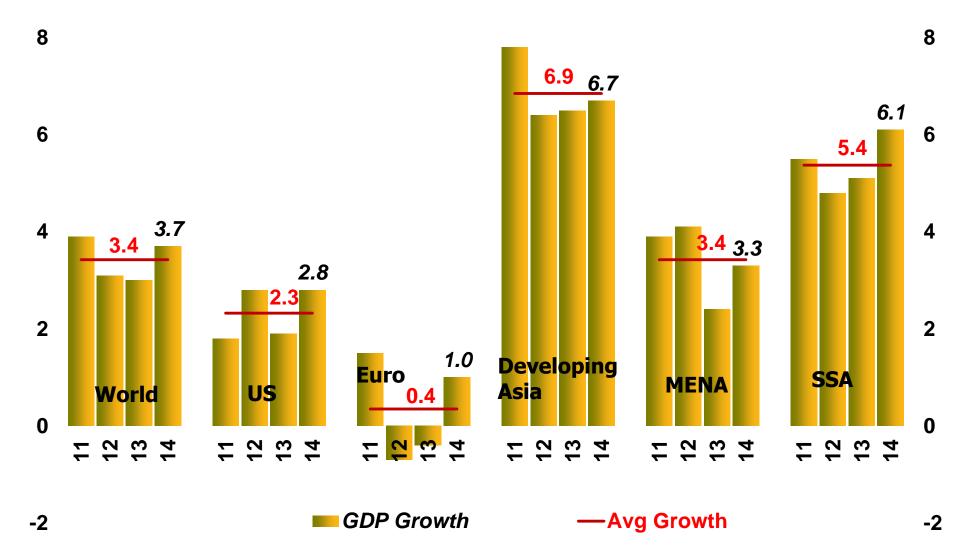

# Economic Review

ABCH Group CEO, Mr. Doug Munatsi

### **Economic Growth by Region**

### **Economic Overview**

### Global

- Economic recovery continues to gather pace
- Mature Economies on a recovery path

### **Developed** economies

- Euro zone to return to positive growth
- Uptick in US economy

### **Emerging countries**

- Slow down in growth in China
- Negative impact on commodities
- Currency depreciationsimpact of US QE

### Sub-Saharan Africa

- Economic growth to remain strong
- Increased public infrastructure spending
- Euro bond Issuances

### **Economic Growth in ABC Markets**

### BancABC Botswana

- Elections in Oct-14
- Middle income with GDP per Capita of US\$7,200
- Relocation of diamond sorting to Botswana

### BancABC Mozambique

- Elections in Oct-14
- Political disturbances with opposition
- Strong growth prospects & leading FDI recipient

### BancABC Tanzania

- Elections in 2015
- Among fastest growing economies in Africa
- Low GDP per Capita US\$730

### BancABC Zambia

- Strong economic growth
- Trade Surpluses
- Rising GDP per Capita US\$1,650

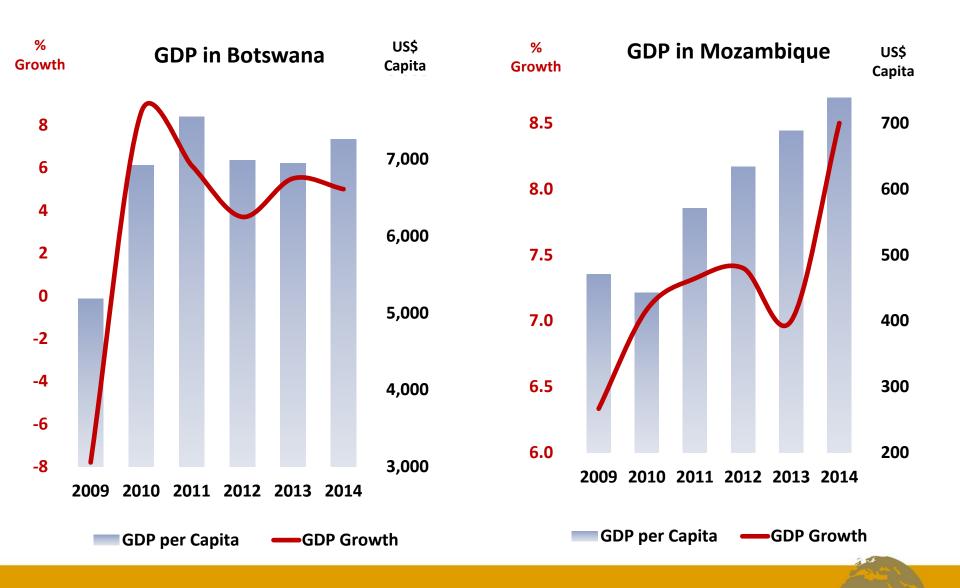

### BancABC Zimbabwe

- Politically stable after elections
- Stuttering growth after double digit growth in 2010-12
- Huge liquidity challenges
- FDI to remain low

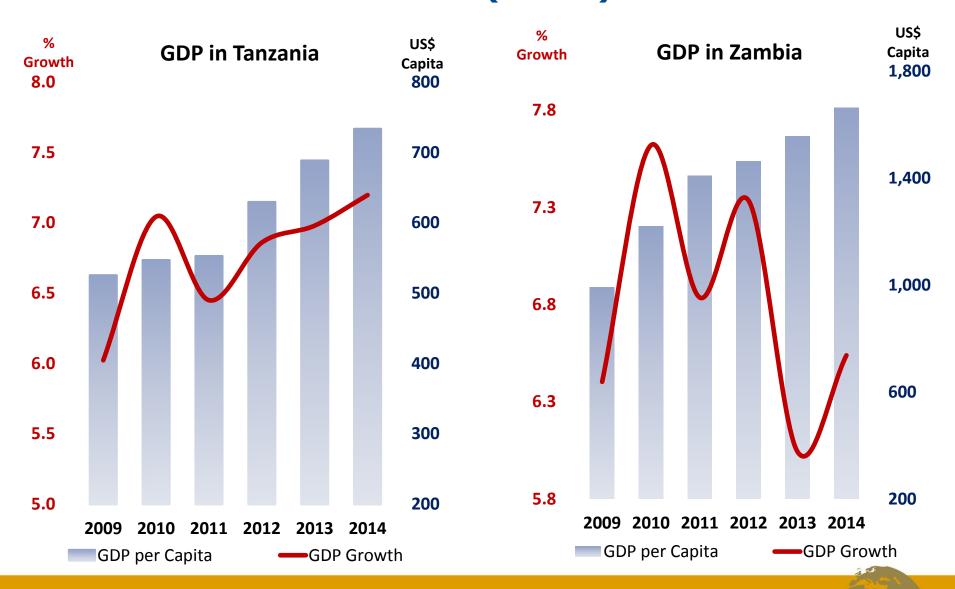

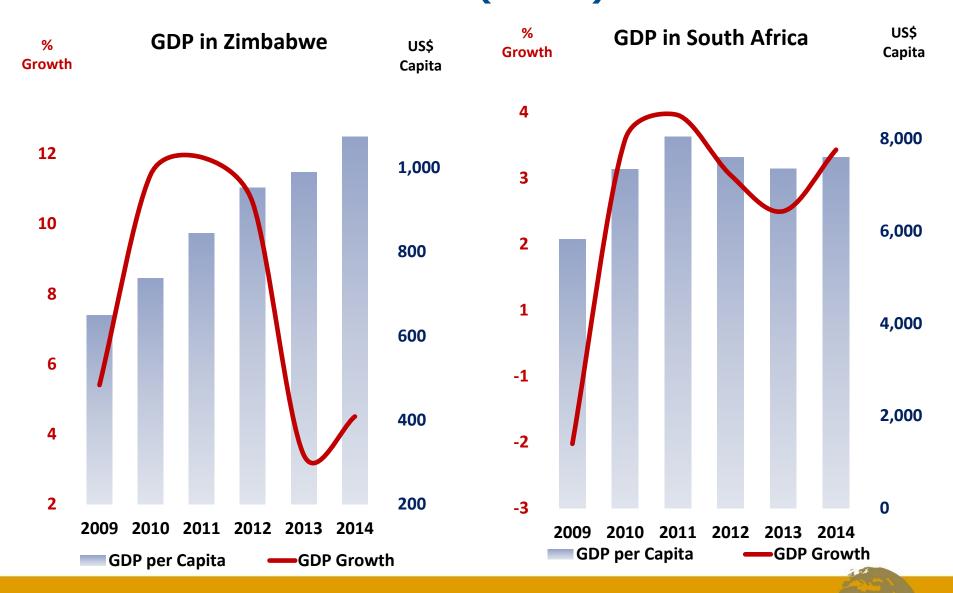

### **GDP Growth in ABC Markets**

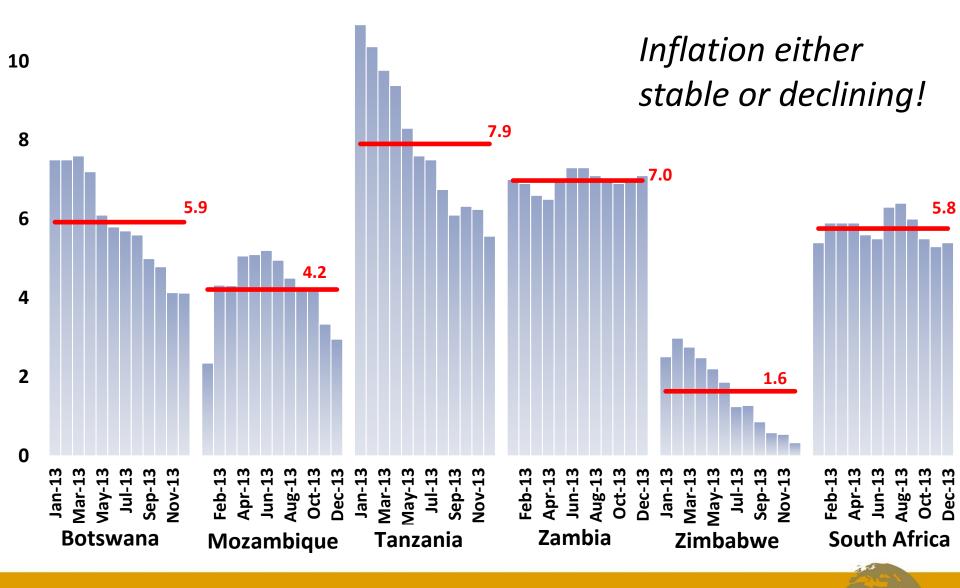

### **GDP Growth in ABC Markets (cont'd)**

### **GDP Growth in ABC Markets (cont'd)**

### 2013 Inflation Rates in ABC Markets (%)

### **Policy Interest Rates**

|--|-------------|-------------|---------------------------|--|
| Botswana Bank<br>Rate                      | 9.5         | 7.5         | (2.00)                    | Lower inflation allowed Bank of<br>Botswana to reduce Bank rate (BR)<br>BR lowered 4-times in 2013 |
| Mozambique<br>Standing Lending<br>Facility | 9.5         | 8.25        | (1.25)                    | Loose monetary policy stance. The SLF lowered 3-times during the year                              |
| Tanzania<br>91-dy                          | 11.89       | 13.61       | 1.72                      | Higher interest yields despite declining inflation   |
| Zambia<br>Policy Rate                      | 9.25        | 9.75        | 0.50                      | Monetary policy tightening in response to rising inflation   |

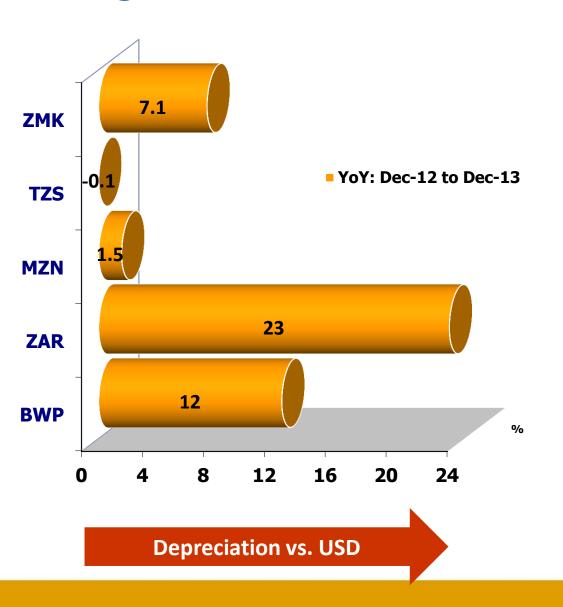

### **Lending & Deposit Interest Rates**

| Interest<br>Rates |       | Average<br>deposit<br>rate<br>% | Spread | Comment  |
|-------------------|-------|---------------------------------|--------|--|
| Botswana          | 10.21 | 4.91                            | 5.30   | Monetary policy transmission is working<br>Lending & deposit rates have both come<br>down in line with falling Bank rate |
| Mozambique        | 20.09 | 9.68                            | 10.41  | Interest rates have not responded significantly despite the policy rate being aggressively reduced over the years        |
| Tanzania          | 14.02 | 11.34                           | 2.68   | Narrowed Interest rate spread reflecting improved financial deepening  |
| Zambia            | 16.3  | 6.3                             | 10.0   | There is pressure to reduce rates which remain stubbornly high   |
| Zimbabwe          | 20.0  | 8.0                             | 12.0   | High interest spread still exists<br>Liquidity squeeze keeping interest rates high                                       |

### **Exchange Rate Movement vs. USD**

The Following currencies depreciated vs USD:

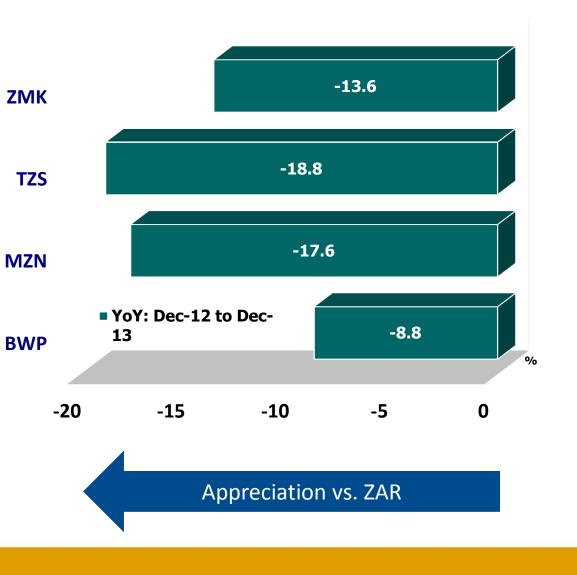

- •ZAR; 23%
- •BWP; 12%

### **ZAR** weighed down by:

- Labour unrests
- Widening current account deficit
- US Quantitative Easing

MZN Stable assisted by Central Bank Interventions

### **Exchange Rate Movement vs. ZAR**

All currencies appreciated vs. ZAR:

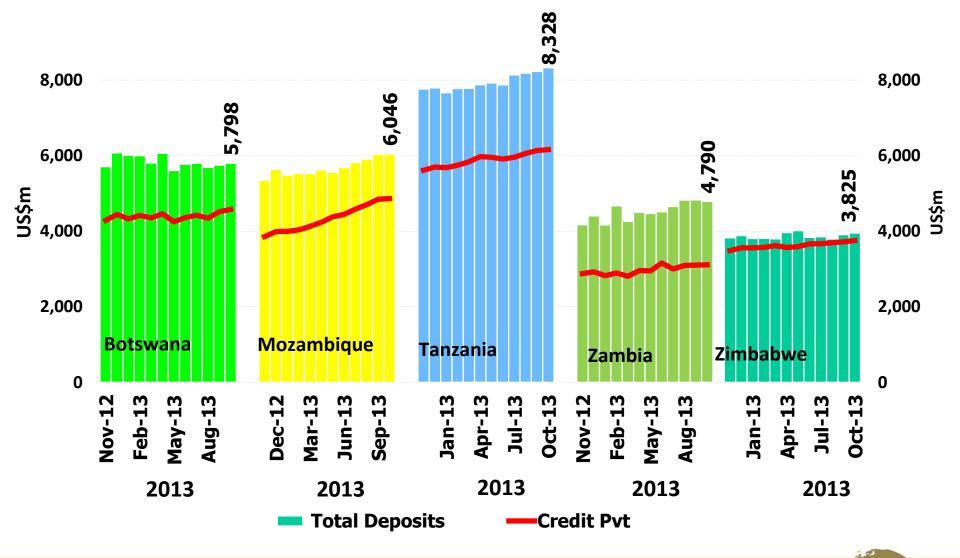

- •TZS; 18.8%
- •MZN; 17.6%
- •ZMW; 13.6%
- BWP; 8.8%

Lower imported inflation from SA

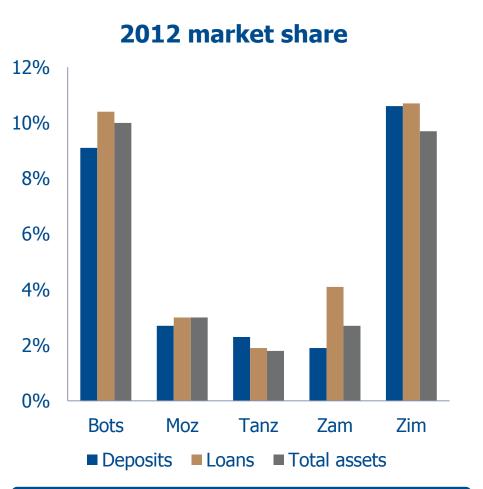

• SA more prone to global shocks due to closer links with Euro

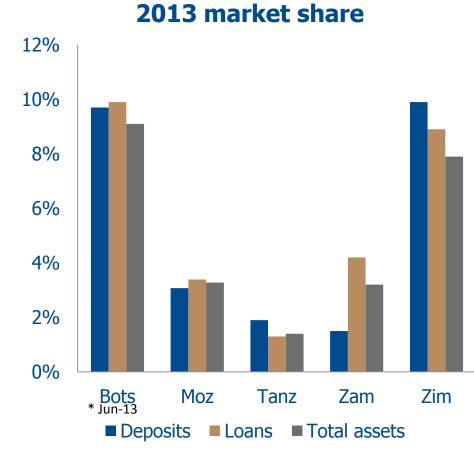

### **Sizes of Banking Systems in ABC Markets**

### **BancABC Market Share**

Growing market share in Botswana & Zimbabwe

Need to grow critical mass in other markets

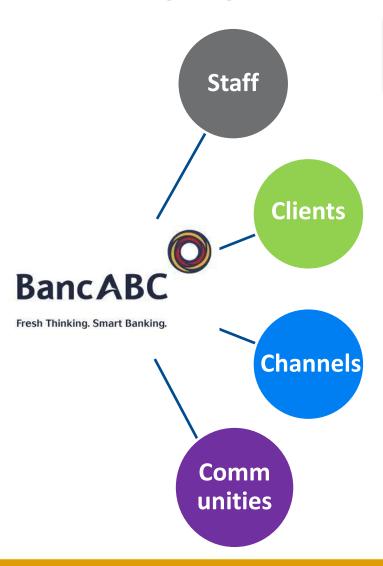

# Operational Overview

ABCH Group COO, Mr. Francis Dzanya

### **Group Highlights**

The banking group created 191 jobs in all subsidiaries

Total client numbers up by 48% to 277,383

BWP10.5bn Total loans and BWP12.2bn Total deposits

Total branches up by 12 to 73
Total ATMs at 74

Increased community participation and sponsorships (Dynamos, Highlanders, Zebras, Green Buffaloes...)

### **Botswana Highlights**

### **Statistics**

- Staff complement at 284, up from 234
- Increased branches from 5 to 8
- Increased customer numbers from 28,735 to 42,421

### **Loans & deposits**

- Loans increased from BWP3.4bn to BWP3.8bn
- Deposits increased from BWP4.3bn to BWP4.7bn
- Consumer loans make up 61% of total loans

### **Income statement**

- PAT increased from BWP94m to BWP153m
- NII up 55% to BWP391m
- NIR up by 30% to BWP94m

- Focus on deposit mobilization and diversification of the depositor book
- Grow non interest income

### **Mozambique Highlights**

### **Statistics**

- Staff complement at 205, up from 166
- Increased branches from 8 to 10
- Increased customer numbers from 6,448 to 11,168

# Zambia Comoros Nampula Quelimane Zimbabwe Mozambique Beira Madagascar Indian Ocean South Africa Xai-Xai Maputo

### **Loans & deposits**

- Loans increased from BWP876m to BWP1.4 bn
- Deposits increased from BWP1.4bn to BWP2.3bn
- Some in-roads made in retail loans and deposits

### **Income statement**

- PAT dropped from BWP18m to BWP9m
- High impairment charge from BWP18m last year to BWP51m in 2013
- Fee income grew from BWP26m to BWP48m

- Grow loans and deposits
- Expansion in number of branches
- Tight control of impairments

### **Tanzania Highlights**

### **Statistics**

- Staff complement at 212, up from 135
- Branches remained at 4, added 4 loan centers
- Increased customer numbers from 6,813 to 21,644

#### Uganda Kenya Rwanda Mwanza Burundi Tanzania Tanga • Dodoma C Zanzibar • DRC (Political capital) Dar Es Salaam (Commercial capital) Mbeva Ocean Zambia Malawi Mozambique

### **Loans & deposits**

- Loans dropped from BWP747m to BWP575m
- Deposits increased from BWP1.2bn to BWP1.3bn
- Loans transferred to TDFL at BWP 282m book value

### **Income statement**

- Disappointing set of results, losses at BWP20m
- Operating expenses increased faster than annuity income
- NIR increased from BWP 54m to BWP68m
- Combined impairments of BWP136m and loss of BWP94m

- Focus on growing consumer loans
- Grow deposit base
- Control impairments
- Manage expenses

### **Zambia Highlights**

### **Statistics**

- Staff complement at 221, up from 211
- Branches increased to 22 from 21
- Increased customer numbers from 62,541 to 88,137

#### Tanzania Democratic Republic of Congo Kasama Angola Chingola . Malawi Zambia Kabwe Mozambique Lusaka 🤼 Livingstone Namibia Zimbabwe Botswana

### **Loans & deposits**

- Loans increased from BWP1bn to BWP1.4bn
- Deposits increased from BWP834m to BWP1.2bn
- Loans and deposits were boosted by increased capital which is now BWP825m

### Income statement

- PAT increased from BWP36m to BWP50m
- Impressive growth in non interest revenue up from BWP110m to BWP158m
- NPLs well managed recovered BWP7.8m
- Cost to income ratio at 62%

- Bank met central bank capital regulations in Dec 2013
- Leverage additional capital and grow loans and deposits
- Management of costs key going forward

### **Zimbabwe Highlights**

### **Statistics**

- Staff complement at 514 from 507
- Increased branches from 21 to 25
- Increased customer numbers from 84,156 to 114,847

# Namibia Namibia Kadoma Zimbabwe Mutare Bulawayo Masvingo Botswana Mozambique South Africa

### **Loans & deposits**

- Loans increased from BWP3.0bn to BWP3.1bn
- Deposits dropped from BWP3.1m to BWP2.7bn but increased from half year position of BWP 2.3bn

### **Income statement**

- PAT increased from BWP103m to BWP118m
- NII up 78% to BWP404m
- Impairment charge doubled to BWP92m compared to 2012

- Focus on growing retail and consumer lending
- Grow deposit base and sweat the retail investment
- Effective cost management
- Reduce NPLs

## Financial Review

ABCH Group CFO, Mr. Beki Moyo

### **Income statement-BWP**

| % Change | 2013                             | 2012  |

Solid performance hampered by significant rise in impairments of loans

Impressive growth in both NII and NIR

### **Income Statement- USD**

| USD' million                  | % Change | 2013  | 2012  |
|-------------------------------|----------|-------|-------|
| Net interest income           | 35       | 119   | 88    |
| Impairments                   | (113)    | (39)  | (18)  |
| NII after impairments         | 15       | 80    | 70    |
| Non interest revenue          | 13       | 82    | 73    |
| Operating expenses            | (15)     | (132) | (114) |
| Share of associate results    | 36       | (0.5) | (0.7) |
| <b>Profit before taxation</b> | 7        | 30    | 28    |
| Taxation                      | 7        | (9)   | (10)  |
| Profit for the year           | 16       | 21    | 18    |
| Attributable to               |          |       |       |
| -ordinary shareholders        | 34       | 24    | 18    |
| -minority shareholders        | (1005)   | (3)   | 0.3   |

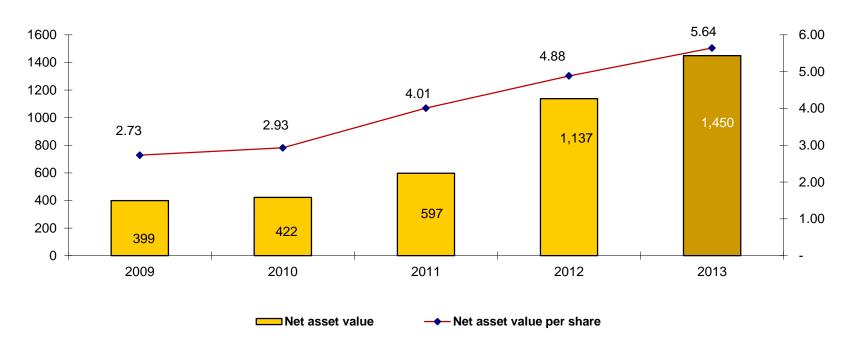

Solid performance hampered by significant rise in impairments of loans

Impressive growth in both NII and NIR

### **Positive trend in NAV**

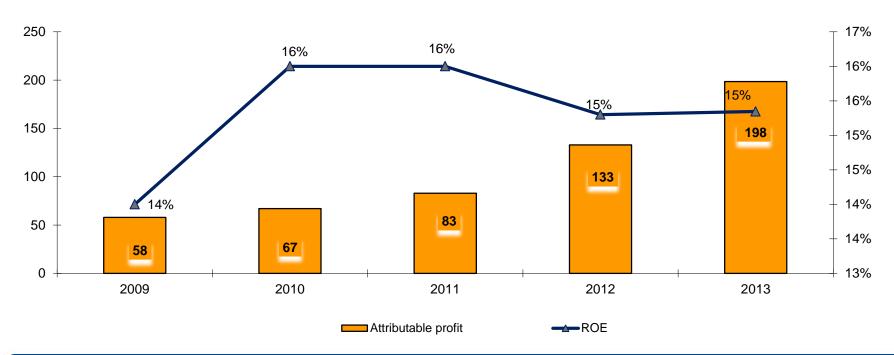

### Net Asset Value (BWP m) and NAV per share (BWP)

Continued growth in NAV on the back of retained profits as well as new shares issued

### **Strong performance**

### Profit (BWP m) and ROE (%)

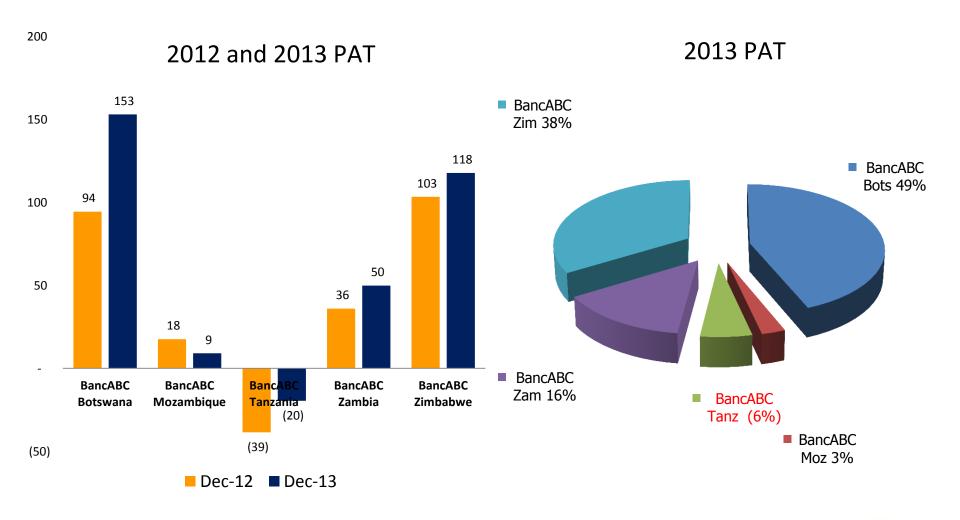

Impressive growth in attributable profits over the past 5 years

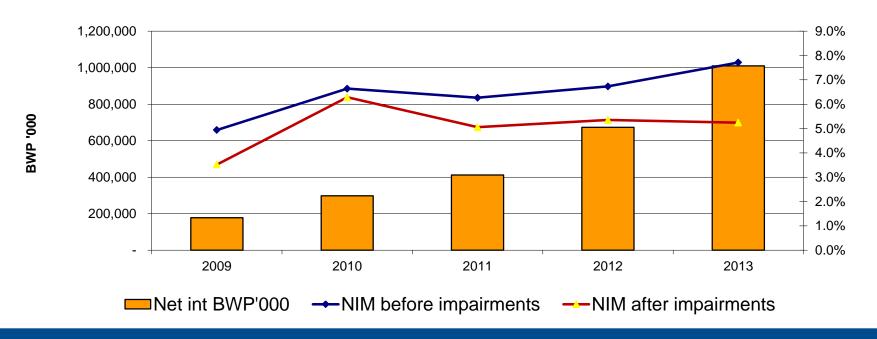

ROE flat due to increase in shareholder funds on the back of retention of profits coupled with share conversion by IFC in 1H-2013.

**ABC HOLDINGS LIMITED** 

### **Attributable profits per entity**

### **Net interest income**

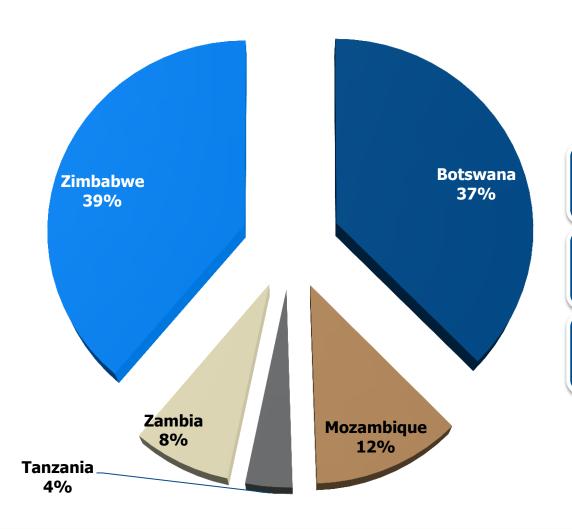

Phenomenal growth in net interest income – up by 50%

NIM before impairment increased to 7.7% but down to 5.2 % after factoring in impairments

### **Net interest income per entity**

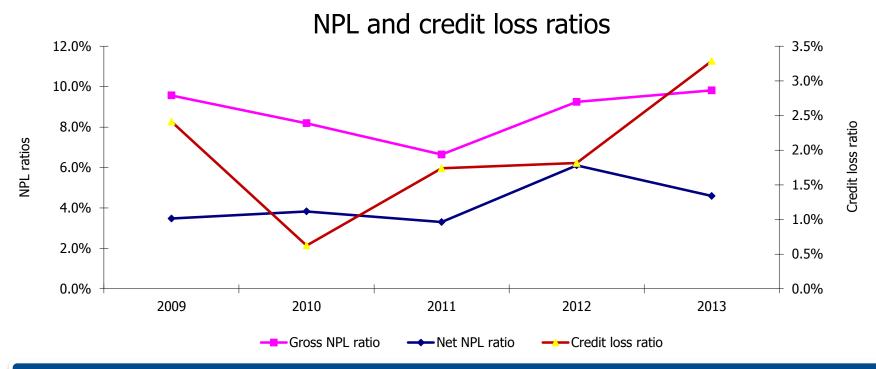

NII boosted by consumer lending in Botswana and Zimbabwe

Zambia NII affected by capping of interest rates by the Government

Tanzania contribution low due to lower loan book

### **Credit loss ratios**

Gross NPL increased marginally from 9.2% to 9.8% in 2013

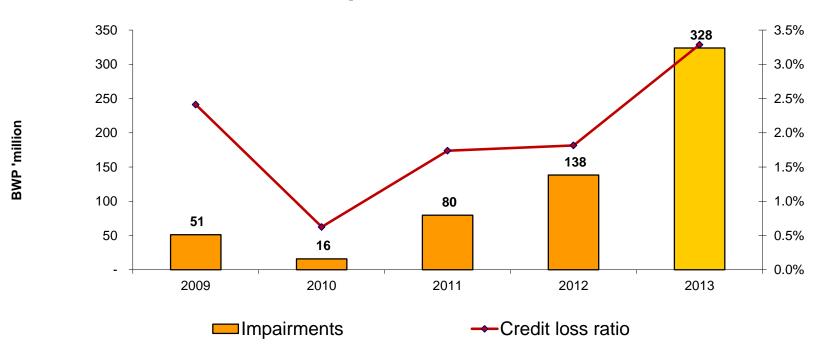

More aggressive provisioning saw credit loss ratio increase to an all time high of 3.3%

However, net NPLs down to 4.8% from 6.1% in 2012

# **Impairments and credit loss ratio**

Impairments high with increased non-performing loans

Significant provisions made in Tanzania, Zimbabwe and Mozambique

# **Asset quality and impairments**

| BWP' million               | 2013   | 2012  | 2011  | 2010  | 2009  |
|----------------------------|--------|-------|-------|-------|-------|
| <b>Gross loans</b>         | 11,166 | 9,460 | 6,295 | 3,217 | 2,130 |
| Non-performing loans       | 1,118  | 875   | 418   | 268   | 204   |
| Impairments                | 611    | 316   | 218   | 138   | 135   |
| Portfolio impairments      | 94     | 78    | 45    | 17    | 13    |
| Specific impairments       | 517    | 238   | 173   | 121   | 122   |
| Impairment charge          | 324    | 138   | 80    | 16    | 51    |
| NPL as a % of gross loans  | 9.8%   | 9.2%  | 6.6%  | 8.2%  | 9.6%  |
| Credit loss ratio          | 3.3%   | 1.8%  | 1.7%  | 0.6%  | 2.4%  |
| Implied loss given default | 45%    | 27%   | 41%   | 45%   | 60%   |

NPL coverage ratio at 55% up from 36% in prior year

## **Asset quality per business class**

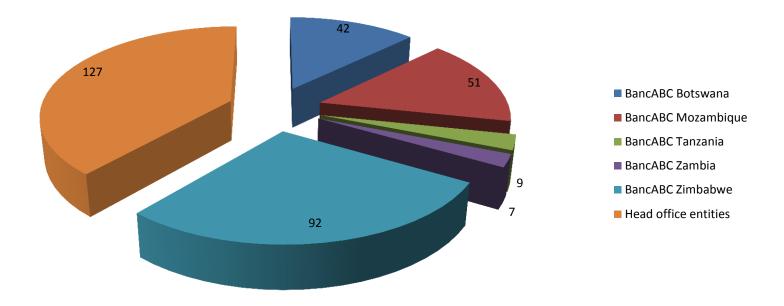

| Per segment                   | <b>Gross loans</b> | NPL   | NPL ratio |
|-------------------------------|--------------------|-------|-----------|
| Corporate lending             | 5,382              | 923   | 17.1%     |
| Consumer & retail lending     | 4,711              | 141   | 3.0%      |
| Instalment finance            | 670                | 46    | 6.9%      |
| Mortgage lending              | 349                | 7     | 2.1%      |
| Commercial & property finance | 54                 | 1     | 1.0%      |
| Total                         | 11,166             | 1,118 | 10%       |

**Substantial NPLs in Corporate Lending** 

Relatively good quality in Instalment Finance, Retail and Consumer Lending as well as Mortgage Lending

## **Impairment per entity**

Significant impairments recorded in Zimbabwe, Mozambique and Tanzania

The 3 entities accounted for 82% of impairment for the year

5 customers account for 73% of the impairments

## What we are doing to address impairments

Improving credit management from granting to collection

Reducing single obligor limits

Improving documentation

Increasing security so that loss given default is lower

More reliance on cash flows and less on security

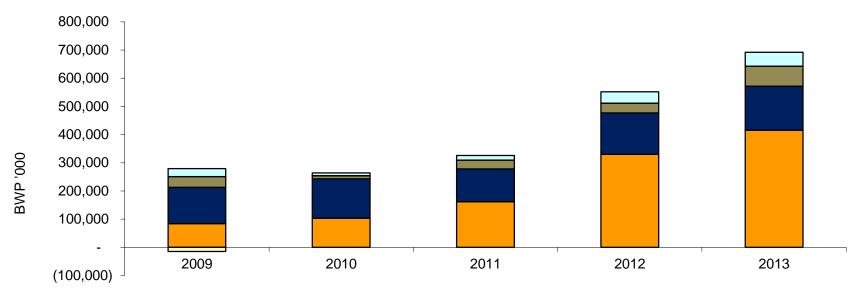

Regimented approach to credit management

Creation of special operations to manage delinquent accounts

Character, character, character

#### **Non Interest Revenue**

■ Fees and commissions ■ Trading income ■ Gains on investment activities □ MTM - investment property □ Other income

Good momentum in non interest revenue, with commissions and fees boosted by consumer banking activities

Resilient growth in trading income despite shrinking margins across subsidiaries

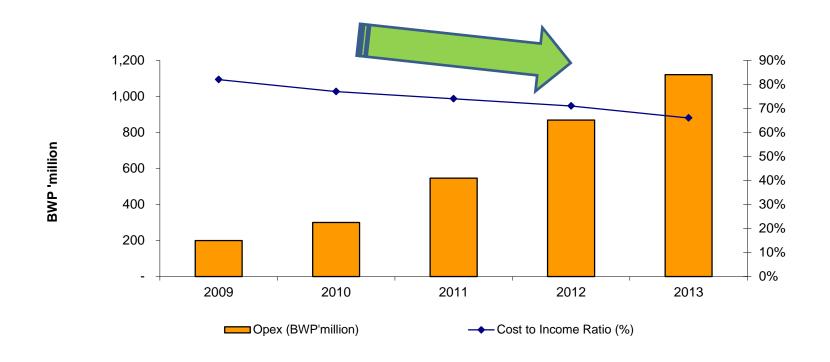

## Non interest revenue per entity

| BWP' million              | % change | 2013 | 2012 |
|---------------------------|----------|------|------|
| BancABC Botswana          | 30       | 94   | 72   |
| BancABC Mozambique        | 32       | 89   | 67   |
| BancABC Tanzania          | 27       | 68   | 54   |
| BancABC Zambia            | 44       | 158  | 110  |
| BancABC Zimbabwe          | (7)      | 197  | 212  |
| <b>Banking operations</b> | 18       | 606  | 515  |
| Head office entities      | 126      | 86   | 38   |
| Non interest Revenue      | 25       | 692  | 553  |

With the exception of BancABC Zimbabwe, all entities recorded impressive growth in NIR

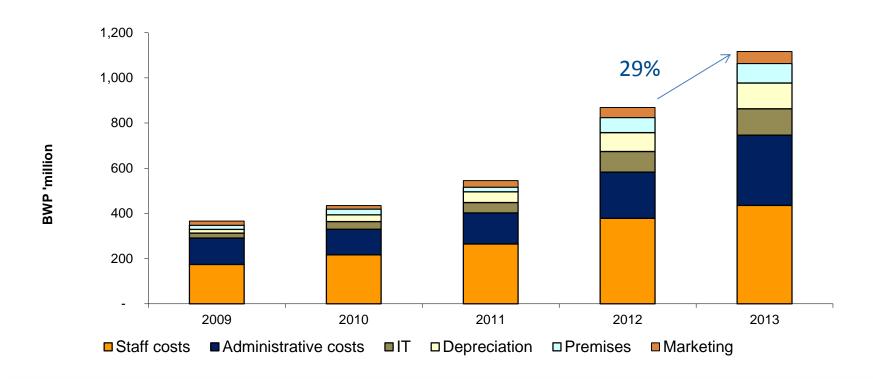

### **Operating costs and cost to income ratio**

Cost to income ratio trending downwards on the back of increased income

Operating expenses higher due to increased number of staff and branches

## **Operating expenses per category**

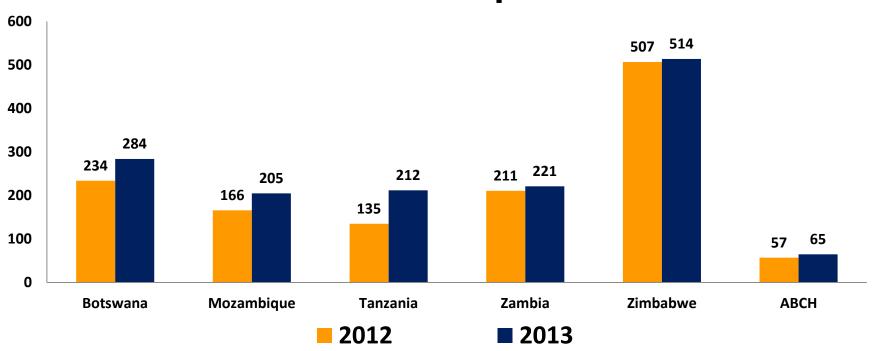

Staff costs constitute 39% of total operating expenses

# **Staff numbers by entity**

# **Human Capital**

Major contributor to costs, staff numbers up 15% from 1,310 in 2012 to 1,501 in 2013

# **Operating Expenses per Entity**

| BWP' million                    | % Change | 2013  | 2012 |
|---------------------------------|----------|-------|------|
| BancABC Botswana                | 49       | 246   | 166  |
| BancABC Mozambique              | 27       | 146   | 115  |
| BancABC Tanzania                | 30       | 128   | 98   |
| BancABC Zambia                  | 18       | 148   | 126  |
| BancABC Zimbabwe                | 30       | 350   | 270  |
| Banking operations              | 31       | 1,018 | 775  |
| Head office entities            | 3        | 98    | 94   |
| <b>Total Operating expenses</b> | 28       | 1,116 | 869  |

Increase across all entities due to increased activities as a result of additional branches and higher staff numbers

#### **Balance Sheet-BWP**

|                              | % Change | Dec-13 | Dec-12 |
|------------------------------|----------|--------|--------|
| Cash & cash equivalents      | 24       | 2,304  | 1,859  |
| Financial assets             | 24       | 1,617  | 1,301  |
| Loans & advances             | 15       | 10,555 | 9,144  |
| Property & equipment         | 11       | 887    | 798    |
| Other assets                 | 38       | 421    | 306    |
| Total assets                 | 18       | 15,784 | 13,408 |
| Deposits                     | 14       | 12,209 | 10,675 |
